Terry Alan Roach

MAR 2, 1966 - JUN 20, 2020

TERRY ALAN ROACH born March 2, 1966 at Tampa Regional was called home June 20th, 2020.

A resident of Eustis FL, Terry was the Son of Amos and Sue Roach, brother of Jerry Roach.

At 17 years old Terry met Kim in high school, they later married on April 14th, 1990 and began a love story that lasted 36 years and welcomed 3 boys Jordan, Josh and Jeremiah. They spent a lot of time as a family camping, traveling, working native American Pow Wows, just on a constant adventure.

Terry was an EMT with Lake Sumter EMS through the years of 1990 - 2005, Working a lot of the years beside his older brother Jerry Roach.

Terry or as family called him "T" loved the outdoors and his Native American ancestry. He had a passion for knowledge, the outdoors, and survival. Known as the guy you call should the world shut down because "T" knew what to do and could make anything out of everything. Terry was unique in all of the best ways. He loved his family and spending time with all of them (there is a lot) oh and a good whiskey sour. That big heart, that smile, that guaranteed belly laugh he caused everyone to have at some point in the night, Those silly dance moves, and his beautiful hand made art are some of the many things his family will hold close to them and carry on.

Go rest high on that mountain and soar "flying Bear".

I don't know if anybody else is aware, but Linda and I taught CPR to people all over the county. Terry helped us with many classes. He taught very seriously. He helped keep our classes upbeat and Linda and I appreciated him being there. Always fun being around him!
