I've known Adam since I was probably 10. I don't remember where we first met. The first thing I ever noticed about him was his smile. He always had a huge smile. He would do anything to make you laugh. He has been making me laugh for over 20 years. We dated for a while in highschool. We remained friends. Adam was a great friend. He was always there when I just needed someone to talk to or someone to listen. In this picture we were 17 and 19 I think. This is one of my favorite memories of us. I am glad I have this picture. My thoughts and prayers are with the family

I am a cousin by marriage. My name is Casey Robertson. I am married to Russell Robertson one of Adam's closest cousins they were like best friends that loved Adam so much. Well 14 years ago when I first got together with Russell and he had Adam come over to our house so I could meet Adam he came over and stayed that night our doggie Sasha was a puppy and she ate everything . Well we told Adam and he fell asleep and she ate his wallet well the next morning woke up and just laughed at her and sat on couch and she just licked his face and he just laughed at her. It was so funny. He also was such a funny man. Always picking on me and when my and Russell daughter got older he picked on her. He was such a funny, comical, man. Adam will be missed so very much . We love you Adam. Fly high up there.
