I'm so saddened to hear this. I so much enjoyed spending time with Pam as a child. She was a little older than me, her younger cousin, but was funny, sweet and very tolerant of a younger kid! Although, as adults we lost touch, I kept her in my memories. Much love to her family... Pat Rogers

My favorite memory hands down of my mom was when we were kids. Mom decided she needed a break. She called out sick from work and then decided we needed breaks too so called us both out sick from school. And we spent the whole day at the springs. She was so fancy relaxing with her big sunglasses and big hat and music playing loud on her radio. We'd never seen her so relaxed before. We all just enjoyed being with each other and the hot sun and cool water. It was the best day.

I worked with Pam at Stromberg-Carlson for many years. I saw her every day and what a pleasure to see that smiling face. She was able to lift your spirits with a kind word no matter how stressed your day was. She was one of those people you never forget. My thoughts are with the family.
