## **Jesus Barrera**

MAY 22, 1993 - SEP 21, 2021

**J**esus Barrera of Eustis passed away on Tuesday, September 21, 2021 at the age of 28. He was born in Orlando and moved to Eustis from Apopka with his family when he was 2 years old. Jesus, who was known to his family and friends as Chucho and El de Guerrero, was involved in many activities. He enjoyed hanging out at the barber shop, riding his motorcycle around town, off roading in the backwoods, working on his truck, sharing laughs with friends, spending time with his family, creating memories, and most importantly living life as his most authentic self. He will always hold a special place within the hearts of his lifelong brothers and sisters.

He is remembered and will be dearly missed by his parents, Jose and Yolanda Barrera of Eustis; sisters, Maria, Lidia, Maximina, Juliana, Sara and Dulce, his four brothers-in-law, ten nieces and nephews, and by all who he chose to be a part of his family.

Family and friends are invited to gather on Tuesday, September 28 from 6:00 - 8:00 PM in the funeral home chapel. Mass is scheduled for Wednesday at 11:00 am at St. Patrick Catholic Church in Mount Dora.

Condolences, memories and photos may be shared on the tribute wall.

**Aidee Liliana Maldonado** lit a candle in honor of Jesus.

I met Jesus in elementary. I remember in 4th grade after lunch as we were lining up to go back to class, he showed me his notebook that had drawings. I told him how good his drawings were and saw his face light up. I moved away from Eustis but whenever I was in town I would reach out to him. I am grateful to have gotten the chance to ride on the back of his motorcycle, the heel of my shoe melted off, luckily someone stopped us on the way there and told us. When we got to the restaurant we were both laughing as I was limping going inside the restaurant. I am grateful I got to go with him to Applebee's and have a drink with him. He was always so kind and told me he treated girls nice because it's how he would want his sisters to be treated. He had a heart of gold. I wish I could travel to his viewing to say one last goodbye. I send flowers that I hope he would have liked in my place. I am sorry for your loss.
