Joanne Phillips posted:

After my daughter Judith started dating Rob Stebbins I met his parents Robert and Dotty. I was so happy for the children when they became engaged some years later. Robert and Dotty were always wonderful and kind. I was thrilled for Judith and Rob when they married after graduating UCF! All of my thoughts were of generous, thoughtful, caring people my daughter would have for her new family. Thank you Dotty for all of those thoughtful memories, I will always love your kindness. Lovingly Joanne Phillips
