David Green was President of our 1961 Sumner County High School Class in Portland Tennessee, He was also MR SCHS and was popular and loved by all. IF YOU KNEW HIM THEN YOU KNEW HE LOVED YOU.He was my best friend in high school and was my Best Man in my wedding in 1964.David had a wonderful mom and dad with Donna and Daniel completing a loving Christian family .He always had that smile and contagious personality and we shared great times together .College ,military service, marriage and ,jobs, moved us to different cities and states but God continued to bless our lives.My wife and I visited David in Florida on vacation and he convinced us to go sailing in his first saiboat on a lake and he assured us he was a Navy Officer and was in charge.When the wind got stronger ,I could tell he was learning on the fly but we laughed our way finally back to shore.He was always adventurous and learning and leading his many friends.He had a Servants heart in helping people.He knew Jesus and followed Gods will for his life.David left an imprint on my life and I am sure yours as well.Our Class of 61 is sending a wreath to Honor him and give our love to the family.GOD BLESS AND WE WILL FOREVER .CHERISH THE MEMORIES . On behalf of the Advancing Native Missions (ANM) staff and leadership team I want to offer our sincerest condolences and prayers for the Green and Mullins families. Uncle Dave, as we all affectionately knew him, had a bigger than life personality. He lit up the room when he walked in and had a wonderful sense of humor that kept all of us in stitches. He loved Jesus with his whole heart and was filled with the joy of the Lord. We thoroughly looked forward to Uncle Dave and Aunt Peggy showing up at ANM in their RV. They were servant hearted volunteers who blessed and encouraged everyone they met, including our staff and missionaries. Uncle Dave, always smiling, was willing to lend a helping hand to anybody with any project no matter how big or small. We will miss seeing Uncle Dave here but we know that he has received his eternal reward; "Well done good and faithful servant." With much love, Oliver Asher President, ANM

My heart is saddened to hear about the passing of my dear, sweet & long-time high school Friend, David Green. David was not just a Friend, he was my Brother. As Sumner County High School classmates in Portland, Tennessee we enjoyed every minute of that journey. We worked together after school and on week-ends at Consumer Drug Store for four years. And, we shared our walk with Christ at First Baptist Church in Portland. All sweet and abiding memories of a young "Man of God" who demonstrated "Christlikeness" in all his ways! I look at David's picture and I see his Dad and Mom, such gentle and loving people. I am remembering so many times in their home with Dan and Donna. My heart goes out to his sweet and adoring wife, Peggy. I was privileged to meet her at a class reunion several years ago, encounter their beautiful love relationship, and learn of their travels and ministry together. My thoughts and prayers go to all the family in this great loss and as you celebrate David's life. I would love to be there if not for the long distance. I look forward to being reunited with David and so many more when Jesus calls me home! In loving memory of a dear Friend! Betty Wiseman

My wife and myself are deeply saddened to know about the Home going of our dear uncle Dave. As it is said: "Separation is the law of Earth, Reunion is the law of Heaven. God takes the best for reasons Divine, Memories linger till the end of time". We remember those days, when their RV would be parked in ANM compound near the warehouse and he and aunt Peggy would be ready to help with anything needed to be done. He had such wonderful sense of humour and such pleasant personality that brought sunshine to everyone. Since we were going to Florida those days to visit a foundation; we could connect with uncle Dave and stayed with them twice in their home enjoying the loving hospitality of aunt Peggy. We had such wonderful time of fellowship and had fun of visiting orange orchards and picking up fallen oranges from the ground. And uncle Dave would say "watch out Anju, police will come to catch you". He also introduced us with his brother. Such wonderful memory we have. We will miss him a lot. But have the Eternal Hope to be re-united in due time. We will be praying for aunt Peggy and all family members that Lord will comfort them and guide them through this difficult time. With Love and Prayer PR & Anju Misra Advancing Native Missions.

Advancing Native Missions (ANM) attracts a number of wonderful volunteers each year, particularly in the years before the pandemic. One of the most outstanding volunteers was David Green! He stood out above the rest because of at least three special things, among others. First, he so obviously and most tenderly loved his lovely and godly wife, Peggy, a beautiful and inspiring illustration of what the Bible says, that a husband should love his wife as Jesus loves the church. Second, David goes about putting his hand to whatever work was assigned to him, not only the best he could, but with such joy that was so contagious that helps brighten the workplace! Third, David Green was no ordinary man, with his loving heart, joyful spirit and genuine humility, he was Christ-like. He deeply impacted my life and those of the ANM family, staff and visitors more than he ever realized. When he left ANM after several months of fruitful volunteer service, it was difficult for us to bid him and Peggy goodbye. Days and weeks after their departure, they left such a tender spiritual impression almost akin to what the two disciples on the road to Emmaus felt and expressed to one another, "Didn't our hearts burn within us when he was speaking to us?" David Green being such a kindhearted and generous brother in Christ, left me and my wife Marlou an inspiring legacy. Last April 22, 2023, quite sick and struggling with his life, he found time to post at Amazon.com a gracious book review of our book, "My Love Story with the God of Missions." His opening line so greatly encouraged us and we hold it dear to our hearts, giving God all the glory, "I think this is the most beautiful love story I have ever read..." We have known David since he met and married Peggy. A friendship developed and shared all these years. We enjoyed his Bible teaching in church and fun fellowship outing through church. David had a servants heart and loved working and sharing his many talents in helping others. He and Peggy were a special team on mission for the Lord. They also enjoyed renovating homes and making them beautiful again. David was a soft spoken, kindhearted Christian with a beautiful smile and cheerful laugh. We will miss him so much. Our hearts are broken most of all for Peggy who loved him dearly and shared and found happiness working together in all things. David will always be loved, appreciated and missed by all who knew him. With deepest sympathy to Peggy and all the family.
