I loved you from the moment I met you at a swim meet at MDHS...I was a junior at Eustis High School, and I remember thinking "I've just met an angel". 3 years later, we were really good friends at Lake-Sumter Community College..We sat together in Journalism Class. I only wish I would have just said..."I Love You". Someday, I hope to get that chance when we are flying together in God's Heaven...Thank you for making my life so much better, by just being there!Zane Scott BickerstaffLake-Sumter Community College, Class of 1987
