We are so sorry for your loss. Bert has been our neighbor for many years. He has been a very good neighbor, never complaining about our animals (or kids!) wandering into his yard. In fact, he has had to "adopt" several of our cats and feed them as they decided to live in his yard. He has been very kind and generous to us. We have enjoyed our neighborly conversations and we will miss him.##imported-begin##Gary and Pam Stoltz##imported-end##

I rememer meeting Bert when he was in the Navy and visted his Mother and Father in Umatilla. He was a personable and intelligent man. My condolences to Francis Ann and her family. Bob Skinner##imported-begin##bob skinner##imported-end##

I enjoyed knowing your brother in Thailand. I nearly bowed over one day at the swimming pool when Bert mentioned he had a cousin in Amarillo. I asked who, he told me and I said I have known Betty since birth, practically. We became great friends.##imported-begin##Robert Forrester##imported-end##
