There is a void where Robert was. He will be greatly missed by his family. Even through his hard times,he tried to keep a positive outlook, a smile, a helping hand if you needed. A best friend to his brother,that which can never be replaced. Robert never spoke a harsh word about anyone. He was a smart,driven self made man. We were so very fortunate to have Robert become part of our lives for the last 6 months even though the circumstances which led him to us were equally unfortunate. We will always remember him as the good person he was.##imported-begin##Doreen Harvey##imported-end##
