## **Maria Angelina Rinnier**

MAY 18, 1963 - APR 13, 2010

**M**aria Angelina Rinnier, a devoted wife, mother, grandmother, daughter, niece, and friend to all, age 46 of Rockledge, FL passed away on Tuesday, April 13, 2010. She was born in Atlanta, GA on May 18, 1963. Mrs. Rinnier was an Emergency Communication Specialist for Kennedy Space Center. She is survived by her husband John Michael Rinnier of Rockledge, FL; father, Jack DePrima and his wife Priscilla of Eustis, FL; son, Michael David Marshall of Eustis, FL; brother, Richard (Jennifer) DePrima of Kansas City, KA; grandson, Evan Marshall of Orlando, FL; aunt, Kathy (Ron) Howard of Leesburg, FL; uncles, Tony (Karen) McLemore of West Palm Beach, FL and David (Sherry) McLemore of Ft. Myers, FL. She was preceded in death by her son Mathew Bartel in 1986. Angel was an inspiration to all who knew her with her continual strength, love, kindness and generosity. She was always soft spoken, never complaining and always there for anyone in need. Her strength was amazing throughout all her struggles with cancer. She always had a cheerful smile and love to show all. Angel brought a calmness and peace to everyone. She gave her dogs, Samantha and Sneakers, tremendous love and care always and they in return gave her the same love. Their companionship was a wonderful comfort to her. Angel was an "Angel" to all her family, friends and anyone who met her. She always had a glow around her. She was our "Angel" here on earth and is now an "Angel" with our Lord in Heaven. She will be greatly missed, but will always be in the hearts of everyone who knew her. When we think of her beautiful smile and cheerfulness, we will always know she is in our hearts and being our "Angel" from above. A Memorial Service for Maria was held on Saturday, April 17, 2010 at 2:00PM in the Hamlin & Hilbish Chapel, Eustis. In lieu of flowers, memorial contributions may be made to the American Cancer Society.

My Darling Angel, I miss you so very much. Even though I know you are with me,even now as I write this. Thank you for you Love, for sharing with me your love of life, for sharing with me your passion for all things. You have made me a better person. The world is less without you and heaven is made better by your presence. I long for your touch,to breath in the wonderful scent of your hair. Patiently I will wait till the Lord calls me to be with Him and you. Till then I will do all I can to make you proud. And do all the things you wanted me to do. You will always be in my heart. So till we meet again in Heaven. I will Love you always and forever. Your Husband JR##imported-begin##John Rinnier ( JR )##imported-end##

Angel came to work at KSC in the 911 comm Center in January of 2005 five short years ago. Angel was a pleasure to work with, never complained about the small stuff and always had a good attitude, made everyone feel comfortable. I admired how she was always supporting the fight against cancer, with donations, participating in walks, even when her own health suffered. She was one of the most selfless, giving and generous women I have known. I will miss you.##imported-begin##Candice Norman##imported-end##
