Aunt Evelyn was a wonderful, gentle and peaceful person. I was blessed to have her in our family. When I took Dad who had just turned 90 two years ago to see her, the reunion of he and she was one of the most memorable moments in my life. Dad passed away right after their visit. Evelyn is now with Uncle Fred, her Mother Mae and all of her dear brothers and sisters. The Light family has a true legacy and Evelyn was such a special part of it. My thoughts to Billy, Barabara, Freddie Mike and Joan. Our deepest sympathy, John and Beverly Lynn Cusac. Beverly Lynn Light Cusac

Evelyn was one of the nicest people I have ever met. She was my ex-mother-in-law and I didn't see her very much, but I continued to feel very close to her. She was an artist and a beautiful person - inside and out. She had a great sense of humor and always looked for the best in people. Living to the golden age of 92, she had seen much of what the world is like but she continued to have a good outlook. I will always remember Evelyn and her late husband, Fred, with love and respect. They are now together and that gives me comfort. Lee McLane
