I am a Tremont High School classmate of Jack's. This past fall two of the gals and I put together the 60th Reunion for the class of 1950. Nancy had the information that Jack could not make the Reunion, but I did not know how ill he was. Please accept my sincere sympathy on your great loss. Jack was a good classmate and a very good athlete in High School. My next birthday I will be 78 so know that my life is also drawing to a close. Your loss is great, and hope you can turn to family, friends, and your God for help through these trying times.
