Al, Jack and I have very fond memories of Tootie ~~~ especially at the Aquamarine. I can still see her and Paddy doing the Indian war dance and chanting on the table during the Wounded Knee episode. Tootie enjoyed life and for that you can be grateful ~~~ you made her happy. Please know that you both are in our thoughts and prayers at this difficult time. I can't believe that "Tootie" has gone on to a better place! I'll always remember her fun-loving nature and sense of humor. She was "one of a kind" that will always be remembered and not forgotten. It brings home the fact that we need to cherish every moment and let the "little" things go!##imported-begin##Dee Smith Hembree##imported-end##
