Thanks to all who attended and/or wrote a message here. My father did many good things and had a positive affect on many people. His generation did so much for what we have today and I hope the inspiration will continue to his Grand children's generation. To Dad : I was privileged to sail the Cheasapeake Bay last week-end ... thanks for the training and inspiration to enjoy life that one works for. Bye but not gone.##imported-begin##Doug Swain##imported-end##
