I remember the times I visited Grandmother and Grandad. They always offered me something to eat as soon as I got there and made sure I had plenty of socks. I will cherish the memories that we had and I will always keep Grandmother in my heart with Grandad. I Love You Grandmother!###imported-begin##Johnna Gregory##imported-end##

I will treasure the precious moments we were able to share together. We laughed, we cried, a few times we argued, but I always knew that we would get through it and be better for it. I will miss you and think of you always. You raised a wonderful family and I am proud to be a part of it.###imported-begin##karen gregory##imported-end##
