Momma I watched as you grieved Daddy and then how you fought to stay with me and the family through the accident and illness, I can now accept that you were never really meant to stay for long just long enough for Daddy to help Jesus prepare the right place for you in heaven I know in my heart that it was hard for you to leave but even harder to stay. I will always feel your closeness and Love and do my best to keep every promise made, I will do my best until my chores here are through. Love me.....:##imported-begin##Charlene Cochenet##imported-end##
