I loved Irene. She always made me laugh. I missed her so much when she moved to Eustis in 1998. I often think of her when I drive through Sunswept, see Egyptian art or a Victorian sofa. She was a super person!##imported-begin##Eileen Clark Whatley##imported-end##

We are sad to hear of Irene's passing. Art and family you are in our thoughts and prayers. We have known you both since moving to Eustis, had some nice conversations. Was a pleasure doing odd jobs around your house. God has plans for us as one day I will find out what his plan is for me. God bless you all. My heart aches with sadness. When you love someone all your life, you do not think about or even believe that one day they might be gone, you just know they will always be there. And when they go, all you can think about is wanting just one more day, one more day to say I love you. But, when you love someone all your life, there is really no need to say it, because they already know. Aunt Rene, you are dearly loved and you will be missed. Though your body is gone, your memory lives in my heart forever. Uncle Art, Bobby, and Keith, you are my thoughts and in my prayers.##imported-begin##Barbara Corbin##imported-end##
