Yvonne and family, so sorry I wasn't able to attend the service today. Please know that you are in my thoughts and prayers. Gene was so lucky to have a family such as yours that cared for him the way that you did, especially during his recent time of need. We were all lucky to have known Gene as either a family member, friend, or mentor. We can all rest assured that Gene is now resting comfortably with his heavenly father. Ken Carpenter

We have such fond memories of Gene. He was such a gentleman. We are thinking of you Yvonne, and all of his extended family. You are in our prayers.

We love and will miss you Grandad. You were the only Grandad I ever knew and were the best a grandchild could have. Some of my fondest memories with Grandad are skiing behind his boat, playing ping-pong in the garage, watching football together, and spending the holidays with each other. We are very sad for the loss, but I'm so glad that he knew Jesus and is now with God forever. Alan Isted
