I haven't spoken to you in awhile, haven't seen you in such a long time. I wish we had a better relationship. It saddens me that you are no longer here. Rest in peace grandpa. Love, your grand daughter....Kendra.

I first met Butch when he, along with Mary, picked me up at the airport in Dayton, Ohio as Mary had invited me to spend the week-end with her. My first impression of Butch remains the same today as it did then. He was very personable, easy to talk to and could make you laugh! Butch was also one of those rare individuals that when meeting for the first time you felt that you had known him all your life. I was happy when Butch and Mary decided to marry and share their life together. Mary, I know this has been hard for you, but remember that "Earth Has No Sorrow That Heaven Cannot Heal." I will continue to pray that God will give you strength in the days ahead. Much Love, Edie
