I'm so sorry for your loss, praying peace and comfort over your all during this difficult time. Uncle Frank was only a year and a half older than me. My favorite memory's as teens was all of us loading up in my grandpa Chet's VW bus heading to the skating rink for a day and fun with cousins. A funny story my first beer was given to me by uncle Frank I was 14 🍷 I can't make it to his memorial service, but wanted to share
