Man, I talked to Ron for the past year. I just seen today he passed away. This is heart breaking. When me and pap used to go to their house when I was a kid it was a highlight. Loved going out to the farm in Hickory Well man, God bless you. Tell pap and gram I love them, miss them and can't wait till we meet again. rip

Ron and I were so dedicated to hockey that I met him on his lunch hour where he worked at the time. They had a retention pond behind the building, so I brought our skates and sticks (don't tell my Mum we weren't wearing helmets) and we skated and passed the puck for almost the entirety of his lunch hour!! love you and miss you Ron! Keep that rink tidy till I get there Greg

Ron was the big brother I always wanted to be and be around! I remember we were both so into hockey that I would meet him at his work at the time in Washington, PA on his lunch break. I would bring our sticks and skates (don't tell my Mum we didn't wear our helmets). We would skate and pass the puck on a pond just behind his work for his whole lunch break! I miss you and love you Ron 🥺❤️ Your brother Greg
