**Jimmy Bridgewater** lit a candle in honor of Jack.

I worked and became friends at the Mission Inn golf course in the early 1980s and went to a Pink Floyd laser light show event and one day at work he called me to his jeep pickup truck and turned me on to a great band the Pirates who were making a comeback after early 60s game with Johnny Kidd.I visited his home met his Mother and Grandmother.I used to see him occasionally when he was a crossing guard at a Eustis School.Jack was a really nice guy full of great stories and a huge fan of the Rolling Stones.RIP Jack
