Grandpa, some of my favorite memories I have with you are our many trips to amusement parks. you never denied me the fun of going on the roller coasters repeatedly. you were up to facing the fastest, highest, upside down loops rides with me, never letting go of my hand. we shared many laughs on those days that we would go up the handicapped ramp, me riding on the back of the scooter and face all those rides together. i love you so much and am so very grateful for having a grandpa like you who loved me endlessly and sought out adventure and fun all the time. love lives on and i know ill see you again
