“ Frank was my cousin, a much older cousin. As a kid, he gave me my first (actually, my only) motorcycle ride. Back then, he had a black leather jacket, long black hair and a long black beard. And, I thought he was so cool. I loved going up to see him and my Uncle Danny and Aunt Mary Ruth-- and Frank's sister JoJo. I only lived close to them when I was in high school so I did not see him often. But when I did see him, he was always kind and supportive to a much younger cousin. He was a "salt of the earth," generous kind of guy like his dad and I loved them all, and definitely looked up to Frank.

He will be missed.

My sympathies to Carol and her family on such an enormous loss.
