“ The Lyle family have been family friends as long as I can remember! I called them Poppa and Momma Lyle. We would always spend Thanksgivings together at our house! Usually 27 people! Those were some great memories! We went to Oceana Naval Base Catholic Church every Sunday and had many Sunday together! They were always there for us when my father passed away at just 49 years old. Again when my oldest brother Michael passed away 8 years later at 27 years old. We had some great times together!! Miss those days!! Poppa Lyle was famous for his funny jokes that would make you laugh so hard the tears would run down your cheeks!! Rest easy Poppa Lyle with Momma Lyle and my Dad and brother. Now you are with soulmate and pain free! Love ya Pops!!

“ The Lyle family home was a fun place to go. I have many memories of sharing a evening dinner with a lot of laughter. Playing in the Bob lane neighborhood before it was fully developed, and we had the run of the area. My dearest condolences to the family, may you hold each other closer, as these days bring you all together. Your Dad and Mom are still in your hearts, minds and spirit, continue to make them proud . Many prayers. Gail Lamberson Blaher
