“ Marcia,

So sorry to hear about the passing of your Mom. I remember my father talking fondly about her and what a good dancer she was. She raised some wonderful children. Please know that Tony, Bert and my thoughts and prayers are with you.

“ Margaret was a beautiful lady. Her daughter, Marcia was a best friend , and we took a Alaskan group cruise in 2011 with her mom and both of my parents, Katie, and 2 good friends and Jay. My mom. Carrie and Margaret hit it off. When Margaret came to live with Marcia, she became my second mom. She knew me as Liz the fudge lady. I was blessed to see her smiles and humor all the way to Tuesday, March 19. I will miss her, but she will say hello to my parents in Heaven I am sure.
